

A monthly update from Bonnie McCarvel,
Executive Director of MACA

July 2020

July - Juggling seems to be a key word these days. We juggled schedules in June for the Quarterly Meetings and held all of them on-line via Zoom. We even added a 'lunch and share session' so people could meet others. We are working to juggle the CropLife Ambassador presentations for the next school year so that we can still get the word out on the importance of agriculture, we're working to juggle the YLSP schedule for the Annual Meeting as the student will not be able to attend this year due to COVID-19 and their respective college guidelines. We're also juggling things to make sure everyone stays healthy and are safe. And in the midst of this all we have to remain optimistic and flexible as things develop regarding the 2020 Annual Meeting and in our daily lives. As the 4th of July approaches, take a moment to reflect on all the good things we have going on our lives. Be safe!

CROP LIFE AMBASSADOR NETWORK

I hope everyone is having a great summer, enjoying the heat in your area and doing well! It was great to see so many of you on the Zoom calls for the June board meetings this year. I am looking forward to seeing many of you at the annual meeting in September.

Currently, I'm working on figuring out ways to get into the classroom this fall even with all the social distancing measures in place. We hope to have recorded presentations ready to go

as well as setting up live Zoom type calls with students. Stay tuned for updates. We are excited for different and creative possibilities to continue to reach students this year. If you are interested in being recorded giving a presentation or setting up some live presentations, please let me know. You can email me at michelle@maca.org. Or if you have any fun creative ways to reach out to students let me know.

We are always looking for more ambassadors. If you work with someone who would be great presenting to students, please have them reach out to me and we can get started. They can email me at michelle@maca.org.

Let's get social! Please follow us and like us on Facebook. Search for CropLife Ambassador Network.

SHORT NOTES

- The June issue of the MACA Water Update by **MACA's Water Consultant Steve Taylor** focuses on nutrient runoff and numeric nutrient criteria (NNC) and states' overall water quality standards which is of concern to the MACA region. Check out the updates for the details. If you haven't seen it - click [here](#).
- **Al Strohmaier, Past MACA President**, is recovering from hip surgery the morning of June 1, then sent home June 2 early afternoon; and on day three he's already walked to the mailbox and back. Here's wishing him a speedy recovery so he can be back in the saddle riding his horse into the sunset.
- Thanks, congratulations and best wishes to **Duane Mol, Nutrien Ag Solutions, Inc.**, and the 2004-2005 **MACA President!** Duane is retiring effective July 1 after 23 years with his current employer for a total of 41 years in the business. He's going to sit back and enjoy for a bit..then who knows what will happen. As a tall guy, Duane was always easy to spot in a crowd along with his smile and welcoming handshake.

- Congratulations to **MaryEileen Rufkahr, MACA's Administrative Assistant!** On June 8 she celebrated her fourth anniversary with MACA.
- Congratulations to a 2019 YLSP recipient **Sierra Williamson** from the University of Minnesota! Sierra, BS '20, Agricultural and Food Business Management, received the undergraduate Student Leadership Award, part of the Borealis Award recipients. Borealis Awards, typically acknowledged as part of the *Borealis Night of Excellence* event each spring, recognize graduates, students, faculty, staff, and friends who have made significant contributions to the College of Food, Agricultural and Natural Resource Sciences (CFANS) community.

- **Mark Stewart, Drexel Chemical**, was the first person to register for the MACA Annual Meeting. Way to go!
- Welcome to **Denzil Murphy, Distribution Safety Manager** for **Bayer**, based in St. Louis. He'll be joining the D&E Committee.
- A first - the entire committee meetings and board meeting for June were held via Zoom. Lots of participation...Thank you all for adjusting your schedules and participating. As I tell others, it was great to see so many of you!
- A major agreement announced the final week of June comes from **Bayer**. **Bayer** announced agreements to resolve major legacy Monsanto litigation. As part of the agreement, the Company will make a total payment of \$10.1 billion to \$10.9 to resolve current and address potential future Roundup™ litigation. The Company also resolved dicamba drift litigation for payment of up to \$400 million and most PCB water litigation exposure for payment of approximately \$820 million.
- Are you looking for MACA-branded apparel and gifts? Then check out this link to for some MACA things.....[click here](#). Thanks to Lisa Klein, **MMI**, for her help with this.
