HEADING DEFINITIONS:

- **State** – respective 13 states in MACA region
- **Pest. Reg.** – Pesticide Registration
- **Pesticide Special Taxes** – fee charged at time of registration for a specific effort. Product cannot be registered in the state without paying the special tax.
- **Comments** – explains the special tax or any other special things related to pesticide registration.
- **Pesticide dealer or business facility license** – different states use different terms but generally refers to a special license that either the dealer or facility must have in order to operate.
- **Private applicator license (farmer)** – this is only for farmers or producers.
- **Com. Appl. License** – Commercial Applicator License
- **Noncom. Appl. License** – Non commercial Applicator License
- **Public & Commercial Not for hire License** – generally this is for public employees such as state or school districts and other “not for hire” entities.
- **Operator license** – varies from state to state. In Illinois it means the person who drives the spray rig. A licensed commercial applicator has determined and loaded the appropriate spray mixture.
- **Sales Tax Charges** – this is for purchase of pesticide products by farmers for agricultural production purposes.
- **NA** – Not applicable.

STATE NOTES:

Iowa – license required for manufacturer and distributors not engaged in retail sales - \$25/location.
